Campbell Biology Difference 9th 10th

I used the 9th edition eTextbook while she had the 10th edition physical textbook. Some days I would bring her book to school to look at diagrams and fill out the reading guides, and the only difference I noticed was that there was one extra section in one of the ecology chapters in the 10th edition that was not in the 9th edition book (section ...

Difference Between Campbell's Biology 9th Edition and 10th ...

I'd like to know if there's much difference between Campbell Biology (9th edition) and Campbell Biology (10th edition). People always tell me that Campbell Biology is the best Biology introductory book, so I've decided to buy it, and I'd like to save money and just buy the 9th edition if there isn't much difference.

Amazon.com: campbell biology reece 10th edition

If you buy the newest edition of Campbell Biology (11th) now, you might just be able to use it in a college bio course when you get there in a few years, but it will be at least one, maybe two editions behind by then. Getting an older edition now and then the 12th or 13th when you take college bio makes more sense to me.
