any devices to read

If your books aren't from those sources, you can still copy them to your Kindle. To move the ebooks onto your e-reader, connect it to your computer and copy the files over. In most cases, once your computer identifies the device, it will appear as another storage drive. If the ebook is in the PDF format and you want to read it on your computer, you'll need to have a free PDF reader installed on your computer before you can open and read the book.

Comcast just admitted to me their \$50 installation fee is basically to plug in a device I called Comcast to get rid of HD and get an Anyroom DVR box instead of having two DVR boxes in two rooms. Comcast said you can't have DVR without HD, but I could just go up to the Comcast store and get an Anyroom DVR box and I'd be able to watch DVR from my ...
