On virtually every continent there are records of isolation, exclusion, and even destruction of persons with disabilities.² Governmental treat-

The Legislative and Litigation History of Special Education

Historically, mental disorders have had three major explanations, namely, the supernatural, biological and psychological models. For much of recorded history, deviant behavior has been considered supernatural and a reflection of the battle between good and evil. When confronted with unexplainable, irrational behavior and by suffering and upheaval, people have perceived evil. In fact, in the Persian Empire from 900 to 600 B.C., all physical and mental disorders were considered the work of the dev

History of mental disorders - Wikipedia

The story we have recorded of the lives of people with disability is a story of life lived on the margins. For people with disability, their history is largely a history of silence. The lives of people with disability have not only been constructed as 'Other', but frequently as 'the Other' of 'the Other'.
