If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indio authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible.
