The Dip: A Little Book That Teaches You When to Quit (and When to Stick) (2007) is the tenth published book by Seth Godin. It is a 76 page book that illustrates the concept of "the dip"—a temporary setback that can be overcome with persistence—and how to recognize if you are within one worth pushing through or one where you should quit.

The Dip - Wikipedia

The dip is the long slog between starting and mastery. A long slog that's actually a shortcut, because it gets you where you want to go faster than any other path. In his book the author offers methods to evaluate the dip, which are ways to decide whether the dip offers insight that it is time to quit or carry on.
