Pastels have some techniques in common with painting, such as blending, masking, building up layers of color, adding accents and highlighting, and shading. Some techniques are characteristic of both pastels and sketching mediums such as charcoal and lead, for example, hatching and crosshatching, and gradation. Other techniques are particular to the pastel medium.

Pastel - Wikipedia

This is more than an encyclopedia of pastel techniques. It's a picture book of many styles of pastel drawings, a how-to manual on how to select pastels and paper, and choose techniques appropriate to your subject--and more. There isn't too much to read, but what there is, is very informative. Highly recommend.
