"The Moment of Clarity" is that kind of book. Business is using the wrong models to make decisions. Linear models of problem solving based on rational and logic don't work. Particularly on problems with big levels of uncertainty, with no real understanding of the problem. Which is now 99% of the case.

### **The Moment of Clarity**

A moment of clarity is when you suddenly get a deep understanding of some truth that's been out of reach for you. When your vision becomes unclouded and focused by a mad rush of what has been called an epiphany or revelation. People suffering from addictions use this phrase to refer to a moment when they are not being...
